

Announcement

Election of Delegates to SEIU Convention 2024

Starting with petitioning this coming January 2024, the members of our Union will be electing 1199SEIU's Delegates to the SEIU's International Convention to be held May 20-22, 2024 in Philadelphia, PA.¹ Delegates to the Convention (which is held once every four years) are elected from each of the local unions within SEIU to set the course of the International union for the coming period: they will elect the International union officers, establish the goals and strategies for the International union's aggressive program of organizing the unorganized and determine the political and legislative priorities to improve the lives of working people.

Our 1199SEIU Constitution provides that all elected Officers (President, Secretary-Treasurer, Executive Vice Presidents and Vice Presidents) are deemed Delegates to the SEIU's Convention by virtue of their election as officers. Thus, 1199SEIU already has 79 Delegates based on our current number of elected Officers. However, 1199SEIU is entitled to additional Delegates to the SEIU's Convention based on our number of dues paying members. The Executive Council has decided to elect an additional 121 Delegates to represent the membership, bringing the total number of elected Delegates to 200.

In recognition of our Regional structure, the Executive Council has determined that these 121 Delegate positions will be elected by Region. Based on membership numbers, geographic size and organizational structure of each Region, the Executive Council has approved the following numbers of Delegates to be elected within each Region:

NY Region:	84
MA Region:	15
FL Region:	10
MD/DC Region:	8
NJ Region:	4

1. In the event nominations are uncontested, eligible nominees shall be deemed elected by acclamation, without balloting.

ELECTION BOARD

The Executive Council has already appointed an Election Board, with representatives from all Regions of our Union. This Election Board has authority to run the upcoming election, and its decisions with respect to the petitioning process for nominations and on the dates, times and locations of voting, as well as other rules affecting the election, are set forth below or will be otherwise communicated to our membership.
