James “Jim” Monroe

James “Jim” Monroe, a native of Canton, and his wife Fran, a teacher in Canton Central Schools, are the parents of three children. An advocate for justice, Jim Monroe wants to ensure that our communities are secure places to live and that North Country families are safe from violent crime.

Jim Monroe began his career as an assistant district attorney, and has experience prosecuting violent crimes and crimes that have been committed against children and the elderly. It is important to Jim that all people are treated fairly so that North Country residents can have faith in the justice system. He supports measures that provide long-term help for crime victims and their families, as well as programs that give non-violent offenders a second chance.

Jim Monroe will continue to work with the healthcare community, not-for-profit organizations, the Drug Task Force, and law enforcement to prevent opioid abuse and encourage broader use of programs that help defendants overcome their addictions and criminal lifestyle. At the same, as District Attorney, he will utilize all resources available to prosecute high level drug offenses and drug-based crime.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in St. Lawrence, who will stand up for equality and economic security, so our families and communities can thrive.

Let's elect James “Jim” Monroe for St. Lawrence District Attorney to be a powerful voice on behalf of our families.
