Patty Waldron

Patty stands with 1199SEIU members in our efforts to secure fair contracts with good wages and benefits. Throughout four years in the County Legislature, she has been leading the fight to protect working families and our community's youth.

Patty understands that working people are struggling to make ends meet, and she is working to address poverty, and grow our economy to create good, stable jobs.

Patty is an advocate for essential community programs, including those for seniors, that many people depend on. She has consistently helped secure funding for The Youth Advocate Program, which provides resources for at-risk teens.

Patty is supporting a measure to make the public more aware of child trafficking.

The current wave of intolerance and extremism is threatening our human rights, health care, jobs and livelihoods. It has never been more important to elect strong leaders here in Clinton County, who will stand up for equality and economic security, so our families and communities can thrive.

Let's re-elect Patty Waldron to Clinton County Legislature, Area 6, where she will continue to be a powerful voice on behalf of our families.
