Shelley Mayer

FOR STATE SENATE
PARA EL SENADO ESTATAL

Shelley Mayer has already proven that she shares 1199's core value: *a commitment to ensuring that all people are treated fairly and with respect.* In her work advancing civil rights and labor protections, and as a strong voice in the NYS Assembly, Shelley has demonstrated a willingness to challenge injustice and protect our rights, health care and livelihoods.

Shelley Mayer ya demostró que comparte el valor central de 1199: *el compromiso para garantizar que todas las personas reciban un trato justo y respetuoso.* En su trabajo para promover los derechos civiles y las protecciones laborales, y como una voz enérgica en la Asamblea Estatal de Nueva York, Shelley demostró voluntad para desafiar a la injusticia y proteger nuestros derechos, nuestra atención médica y nuestro sustento.

Shelley Mayer knows first-hand how important it is for us to be able to do our jobs and take care of our patients and families with dignity and respect. For decades, she has been by our side, helping to ensure that we can do more than simply survive with our paychecks.

Shelley Mayer is the ally we need in these troubling times – because fairness is at the heart of everything she does. She has been unwavering in her efforts to protect and improve the lives of working people. She was a key leader in the passage of the \$15 Minimum Wage and Paid Family Leave laws. She stands with us on picket lines, and has spoken out in some of our toughest struggles, including contract fights at Michael Malotz Skilled Nursing Home and Sprain Brook Manor Nursing Home.

At this time of grave uncertainty, we must elect leaders like Shelley Mayer, who embrace our commitment to justice, fairness and equality.

Let's keep fighting. Let's keep voting for the candidates who will truly represent working families like ours. Let's elect Shelley Mayer to the State Senate, where she will continue to be an exceptional leader for our families and our communities.
