

Unhappy  
Anniversary

**A YEAR AGO,  
CONGRESSWOMAN STEFANIK  
VOTED TO REPEAL OUR  
HEALTHCARE.  
SHE HOPES YOU FORGOT.**

**Some dates you just want to forget**, like last year, when Congresswoman Stefaniik joined right-wing politicians who wanted to repeal our healthcare, and limit access to affordable coverage. On that day, Congresswoman Stefaniik voted to rip away protections for New York families by voting to:

- Allow insurance companies to charge individuals more if they have a pre-existing condition.
- Create an age tax that threatens care and costs seniors more.
- Gut vital healthcare funding for seniors, kids and people with disabilities covered under Medicaid.

We're certain that Congresswoman Stefaniik was hoping you forgot her vote. Let's remind her that there's nothing more important than protecting access to affordable healthcare. Tell Congresswoman Stefaniik to do the right thing this time and protect our healthcare.

**CALL CONGRESSWOMAN STEFANIK: 518-743-0964.  
TELL HER TO PROTECT OUR HEALTHCARE THIS TIME.  
BECAUSE THERE'S ONE DAY WE ALL WILL REMEMBER: ELECTION DAY.**
