A graphic for the IV Therapy & Phlebotomy Program. It features a central illustration of an IV drip chamber with a red tube and a white dial. To the left, a hand is shown with a needle inserted into a vein, with arrows indicating blood flow. To the right, a hand is shown holding a clear IV bag with a white tube. The text "IV Therapy & Phlebotomy Program" is written in large, bold, red and blue letters. Below the title, the date "April 27th, 2020" and time "8:00 AM - 4:30 PM" are listed. The location "Jamaica Hospital Medical Center" and address "134-20 Jamaica Avenue (Axel Building) Jamaica, NY 11418" are also provided.

& Phlebotomy Program**

April 27th, 2020
8:00 AM – 4:30 PM

Jamaica Hospital Medical Center
134-20 Jamaica Avenue (Axel Building)
Jamaica, NY 11418

1199 SEIU League of Registered Nurses
Office of Continuing Education is an
accredited provider of Continuing Nursing Education by the
American Nurses Credentialing Center's Commission on Accreditation.

DISCLOSURE: This educational activity is being offered with no commercial or financial support from any entity or agency. In addition, there are no conflicts of interest on the part of the faculty as well as the planner of this educational activity, including and extending to family members and any commercial entity. Finally, no off-label uses of any kind are involved in this educational offering.

Target Audience: This workshop is designed to offer nurses who are interested in enhancing their skills and knowledge in the principles and practices of starting and maintaining an intravenous line and intravenous therapy.

INSTRUCTOR: Valentina Lavarias, RN, MA

Ms. Lavarias is a Clinical Care Coordinator for the Department of Surgery at Mt. Sinai Beth Israel Medical Center.

Tina has been involved in a variety of educational offerings on topic of surgery and is also an accomplished co-author of many published studies in surgical care.

Program Objectives

- ✚ Identify the concepts of IV therapy and phlebotomy
- ✚ Describe the nursing care and maintenance associated with IV therapy.
- ✚ Identify adverse effects related to IV therapy and phlebotomy.
- ✚ Demonstrate safe phlebotomy technique.

REGISTRATION: The registration fee for **1199RNs who work at 1199 institutions that contribute to the Registered Nurses Training & Job Security Fund (RNTJSF)** is \$110 in advance and \$120.00 at the door.

Non-Eligible 1199 nurses and non-Union nurses may register for a fee of \$130 in advance and \$140 at the door. Checks and Money Orders are acceptable forms of payment and are payable to the 1199 League of Registered Nurses. **Personal checks will not be accepted at the door.** All refunds are subject to a \$25 administrative fee and 7-14 days is required to process a refund. **NO REFUNDS** will be given if you do not cancel your registration at least 14 business days before class or do not show up.

ATTENDANCE: Participants must attend at least 90% of the entire day class session in order to earn the contact hours. Plan your schedules accordingly. **We do not issue contact hours for partial attendance.**

CONFIRMATIONS: We will provide an email confirmation of your pre-registrations and we assume no responsibility for you not showing up in a timely manner. It is the registrants' responsibility to confirm attendance, date, time and location if it's necessary.

Please contact Isabel Rodriguez if you have not received your confirmation letter or need assistance with any other continuing Education issues at (212) 857-4315 or email: 1199LeagueRNOCE@1199.org
