MEMORANDUM OF AGREEMENT

The 2018-2021 collective bargaining agreement between the League of Voluntary Hospital and Homes ("League" and "League Agreement") and 1199SEIU United Healthcare Workers East ("1199" or "Union") shall apply to the Skilled Maintenance unit certified July 26, 2019; the Technical unit certified October 17, 2019; the Service unit certified November 7, 2019, and the Business Office Clerical unit certified December 21, 2019 (collectively "bargaining unit") at Mt. Sinai's New York Eye and Ear Infirmary ("NYEE" or "Employer"), except as modified herein:

- 1) Effective October 1, 2021, the Employer shall contribute on behalf of all bargaining unit members to the 1199 National Benefit Fund, at the rate then in effect. Until October 1, 2021, the employer shall maintain the current health insurance offerings except that there shall be no increase in employee paid costs for the life of this agreement.
- The Employer shall reimburse bargaining unit employees for any increase in employee-paid health insurance costs incurred retroactive to the dates of certification above.
- 3) Effective October 1, 2021, the Employer shall contribute, on behalf of all bargaining unit members to the 1199 Pension Fund, at the rate then in effect. Until October 1, 2021, the employer shall maintain current pension benefits/plans and make all required contributions.
- 4) The Employer shall continue to contribute on behalf of all bargaining unit members to the 1199 Job Security Fund ("JSF"), the 1199 Child Care Fund ("CCF") and the 1199 Training and Upgrading Fund ("TUF").
- 5) Each bargaining unit employee on payroll on the effective date of this MOA shall receive an increase in their rate of pay to the new rate for their title (see attached listing) or a 3% wage increase, whichever is greater. This increase will be implemented retroactive to January 6, 2020. Retroactivity will be paid on all hours paid and will include any applicable shift differential.

6) Stipulations:

- a) Stipulation I: as per Article I the covered units are set forth in an attachment hereto.
- b) Stipulation II: as per Articles X(3) and XI(1) the titles/minimum rates and hours of work (37.5/week) are set forth in an attachment hereto.
- c) Stipulation III: as per Article XX the past practices to be included are set forth in an attachment hereto.
- d) Stipulation IV: as per Article XV(2) the Holidays to be included are set forth in an attachment hereto

STIPULATION I:

Skilled Maintenance

Technical

Service

Business Office Clerical

STIPULATION II: NYEE TITLES/RATES/HOURS

[Insert]

STIPULATION III: PAST PRACTICES

- 1. Current pre-tax FSA and Transit benefits will be maintained.
- 2. Life insurance must be maintained until October 1, 2021 NBF effective date. Employees may continue to purchase extended coverage benefits such as Long-Term Disability at their own cost.
- 3. Employees may continue to participate in the Employer's 403b plan without matching of the Employee's contribution by the Employer. Matching must be maintained until October 1, 2021 PF effective date consistent with paragraph 3 above.
- 4. All PTO time shall be converted for use as vacation and sick time as detailed below. Employees may carry over up to five (5) days of vacation from 2020 to be taken by the end of 2021. Employees' current Sick Savings Account balances will be frozen as of the date of ratification and maintained for use consistent with the current sick time benefit practice until October 1, 2021 NBF effective date, after which, fifty percent (50%) shall be converted to regular sick time, subject to the sick time accrual provisions of the League CBA.
 - A. Two thirds shall be converted to Vacation Time.
 - B. One third shall be converted to Sick Time.
 - C. Effective January 1, 2021 all employees shall receive a prorated portion of Vacation and Sick Time based upon their respective anniversary date and entitlement provisions of the CBA.
 - D. On each employee's anniversary date in 2021, (s)he shall receive their full entitlement TOSEN 9/14/2020

Page | 3 of 37 Mg 14 30 20

of Vacation and Sick Time based on the entitlement provisions of the CBA.

- 5. Skilled Maintenance/Engineering departmental past practices:
 - A. The Employer will continue to reimburse employees who purchase work boots one time per year, up to a maximum of \$50.00 provided the employee provides a receipt within thirty (30) calendar days of the purchase.
 - B. Payment/reimbursement for licenses and certifications: The Employer shall continue to provide compensation for any/all FDNY issued certifications including Certificate of Fitness, G35, F60, G71, Q01, S12, S13, P98 and any licenses/certifications that apply to any new equipment introduced, consistent with practice. Current cost is \$15 for each certification, every 3 years.
- 6. OR Techs/past practices: pay for up to 3 hours for sitting for BLS certifications, even if after work hours and pay for cost of certification expenses.
- 7. Sleep Lab departmental/past practices applicable to Sleep Technicians, Sleep Technologists, and Lead Sleep Technologists are as follows:

A. Compressed Workweeks

Incumbent Sleep Technicians, Sleep Technologists, and Lead Sleep Technologists who are currently working three (3) 12. 5-hour weekly shifts will continue to do so.

Day shifts - 6:00AM to 7:00PM and 6:45AM to 7:45PM Night shifts - 6:30PM to 7:30AM and 7:00PM to 8:00AM

One (1) Lead Sleep Technologist who works 4 shifts/week will continue to do so.

Subject to patient care and operational need, this schedule model may be discontinued or modified by the Employer with 30 days prior notification to and effects bargaining with the Union. This schedule model may also be discontinued by the Union upon 30 days prior notification.

B. Holiday and Vacation Pay and other paid time off

When referring to the accrual of paid time off, a week means thirty-seven and one half (37.5) hours and a day means seven and one half (7.5) hours.

All three (3) day/week compressed shift workers whose shift falls on a holiday receive time and half pay if they are working on that holiday. They also receive a 7.5 hour paid day off within 30 days, or in lieu of a day off, they will receive 7.5 hours' additional pay, as determined by the Employer. Compressed shift workers whose shift does not fall on a holiday receive the holiday as a 7.5 hour paid day off, or in lieu of a 1x14 9/14/200 day off, they will receive 7.5 hours' additional pay, as determined by the Employer.

Page | 4 of 3 7

DISPUTED PROVISION TO BE ARBITRATED: An Employee may use either 7.5 hours or 12.5 hours of benefit time when taking holiday time. In order to receive 12.5 hours of pay for a day taken as holiday time, an Employee may combine different types of time (except sick time).

C. Research and clinical tasks will remain separate, with no crossover work

MLK Jr. Day

Memorial Day

July 4th

Labor Day

Thanksgiving Day

Christmas Day

4 Free Days

105019/H/2220

Side letter on locker/break room for Skilled Maintenance/Engineering

During these negotiations the Union raised the need for locker room and break room facilities for Skilled Maintenance employees in the Engineering department, where employees currently share a crowded locker room with employees in the Environmental Services department and have no break room, unlike all other departments in the hospital that have break rooms with a microwave and a table and chairs for employees to use to eat their meals.

The Employer agrees to use its best efforts to find space that can be used by Engineering department employees for these purposes and to work cooperatively with the Union in identifying space and making necessary adjustments to render the space suitable for such use.

To that end, the Employer agrees to have a release time meeting with representatives from the Engineering department and the Union within 30 days of this Agreement, and follow-up meetings as needed, to explore options and alternatives, with the goal of having locker room and break room space ready for use no later than this Fall.

Side letter on post-MOA dispute resolution process for Coders and OR Technicians

The parties agree to meet and discuss the placement of incumbents within the applicable levels/grades for these positions and to discuss the metrics for Coders provided to the Union by NYEE during bargaining. Any unresolved dispute regarding the placement of incumbents within the appropriate level/grade for their position are subject to arbitration through the parties' contractual arbitration process.

We agree to this provided the union agrees to accept the coder metrics and the requirements for OR techs to advance levels. In the interest of reaching settlement, Management has modified the requirements for the Level 5 Coder (see separate document)

Side letter on Lab Technologists, OR Technicians and CT Technologists:

- Lab: The Union agrees that along with the parties' agreement to increase NYEE Lab rates
 to the Sinai system Lab rates, the Sinai system Floating Agreement for Lab Technologists
 will apply to NYEE. This does not apply to Sleep Lab positions.
- OR Techs, CT Techs: The Union agrees that because NYEE and BI are in the process of
 integrating into one campus, along with the parties' agreement to increase NYEE OR and
 CT tech rates to the BI rates, employees in these titles may be asked to float to other BI
 system facilities near NYEE (Chelsea, MSDUS and Petrie).

In the event Management determines it is necessary to reassign an Operating Room Technician or Radiology employee from NYEE to MSBI, including but not limited to Petrie, Union Square or the Chelsea Cancer Center, volunteers will be requested first. If there are no volunteers, the reassignment will be made on rotating basis starting with the Employee who has the least classification seniority.

Page | 6 of 37

Staff that are reassigned will be provided with an orientation to the unit they are reassigned to.

No reassignment will occur with less than 24 hours' notice, absent extraordinary circumstances. If the reassignment occurs on the same day, the time needed to travel from their home unit to the unit to which they're reassigned will be considered paid time.

If it is known prior to the start of the employee's shift, the employee will report directly to the unit to which they've been reassigned. In this instance, the employee being reassigned will not be required to report to their home unit. Instead, for timekeeping purposes, reassigned employees will notify their manager when they arrive to start work and again when they complete their shift.

Staff reassigned to the Chelsea Cancer Center will be provide with a round trip metro card upon request.
